

This form is to change the income direction of your dividends for your Selfwealth account.

Once completed and signed, please submit the form via [this secure link](#) and provide your registered email address.

If you need any help along the way, you can also send questions via the above link or Live Chat.

### 1. Your Selfwealth account details

To find this information you can login to your Selfwealth account. Select the correct portfolio in the left column, scroll down to TRADE, and select Trading Account then Account Details.

Your Selfwealth ID

Selfwealth trading account name

### 2. Where would you like your dividends to be paid? Select one option

- Pay all dividends into your Selfwealth AUD Cash Account.  
*Your dividend instructions will be changed for all current holdings and future purchases.*
- Pay all dividends into my/our nominated bank account registered with Selfwealth.  
*Your dividend instructions will be changed for all current holdings and future purchases.*
- Self managed - Nominate dividend bank account at the share registries.  
*This option will cancel/remove any dividend instructions in place and you will need to manage these directly at the share registries.*

*Please note, selecting any of these options will not affect any dividend reinvestment plans (DRP), and must be managed directly with the share registries.*

### 3. Signatures

I/we request that Selfwealth provide the specified bank account above to all share registries where available, for the receipt of cash dividends only.

For joint, company or trust accounts with two or more directors, at least two directors must sign.
